

Welcome to the Bollenstreek,

the world famous flower region of the Netherlands. Each spring, colorful fields, quiet country roads and charming villages make this area perfect to explore by bike.

During this self guided Tulip Bike Tour, you experience the Bollenstreek at your own pace. Along the route, you will pass flower gardens, scenic viewpoints and local highlights. You decide where to stop, what to visit and how long to stay, enjoying a relaxed and authentic way to experience the Dutch countryside in bloom.

Scan the QR code to download the tour app.

Follow the Tulip Bike Tour with clear route directions and interactive maps. Enjoy stories and highlights in your own language*, including local stories you won't find on the map.

The digital audio tour can be purchased in the app or unlocked using your access code or coupon. The app is easy to use and works offline once downloaded.

*Available in Dutch, English, German, French, Spanish, Italian and Chinese (Simplified Mandarin)

Respect the flowers & ride safely

Respect the flower fields. They are privately owned and walking through them damages bulbs and future blooms.

Ride safely. Stop before using your phone and stay alert in traffic, including farm vehicles.

Stay connected with the Bollenstreek
